

БЕЛЫЙ* СЛОН

*White elephant

Our company name is “Beliy Slon” Co., Ltd (Translate form Russian: White elephant). We used this name for our company, because “Beliy Slon” is a huge and kind force. It’s a symbol of reliability and confidence, success and prosperity. From year to year our business partners can see it.

We are suppliers of paper, consumables and equipment for commercial facilities for 3 years. We have more than 40 regular customers from Krasnoyarsk city, among them there are such big retail chains as Krasniy Yar and Komandor.

We use individual approach for everyone according to the needs of the clients and also we can offer special conditions for cooperation and competitive prices.

“Beliy Slon” Co., Ltd pays attention to quality and speed of service for our clients. For this reason we use on-line order system at our website and have prompt delivery service. It allows us to give a flash response on the client’s needs.

Our company does not stand still. It always tries to find the opportunities for business optimization of the company itself and for our clients and partners. We’re always opened for new marketing solutions, which can allow us to do our business policy with profit and savings. The new offers are always welcome. Every chances of mutually beneficial cooperation will be gladly considered.
